MISS AHARAS KRESIN
COUNSELOR
1933-1972

She's only just begun to search into a new world of her own.
Miss Kresin started teaching in the fall of 1933 in the old Marysville High School building.

Some of her first classes were English, History and Physical Education. Since we have been in this building, Miss Kresin taught Junior and Senior English until she started counseling part time in 1955.

Now, Miss Kresin is an advisor of the National Honor Society and helps co-ordinate Senior activities, besides being a full-time counselor. As years go on, so does the song:

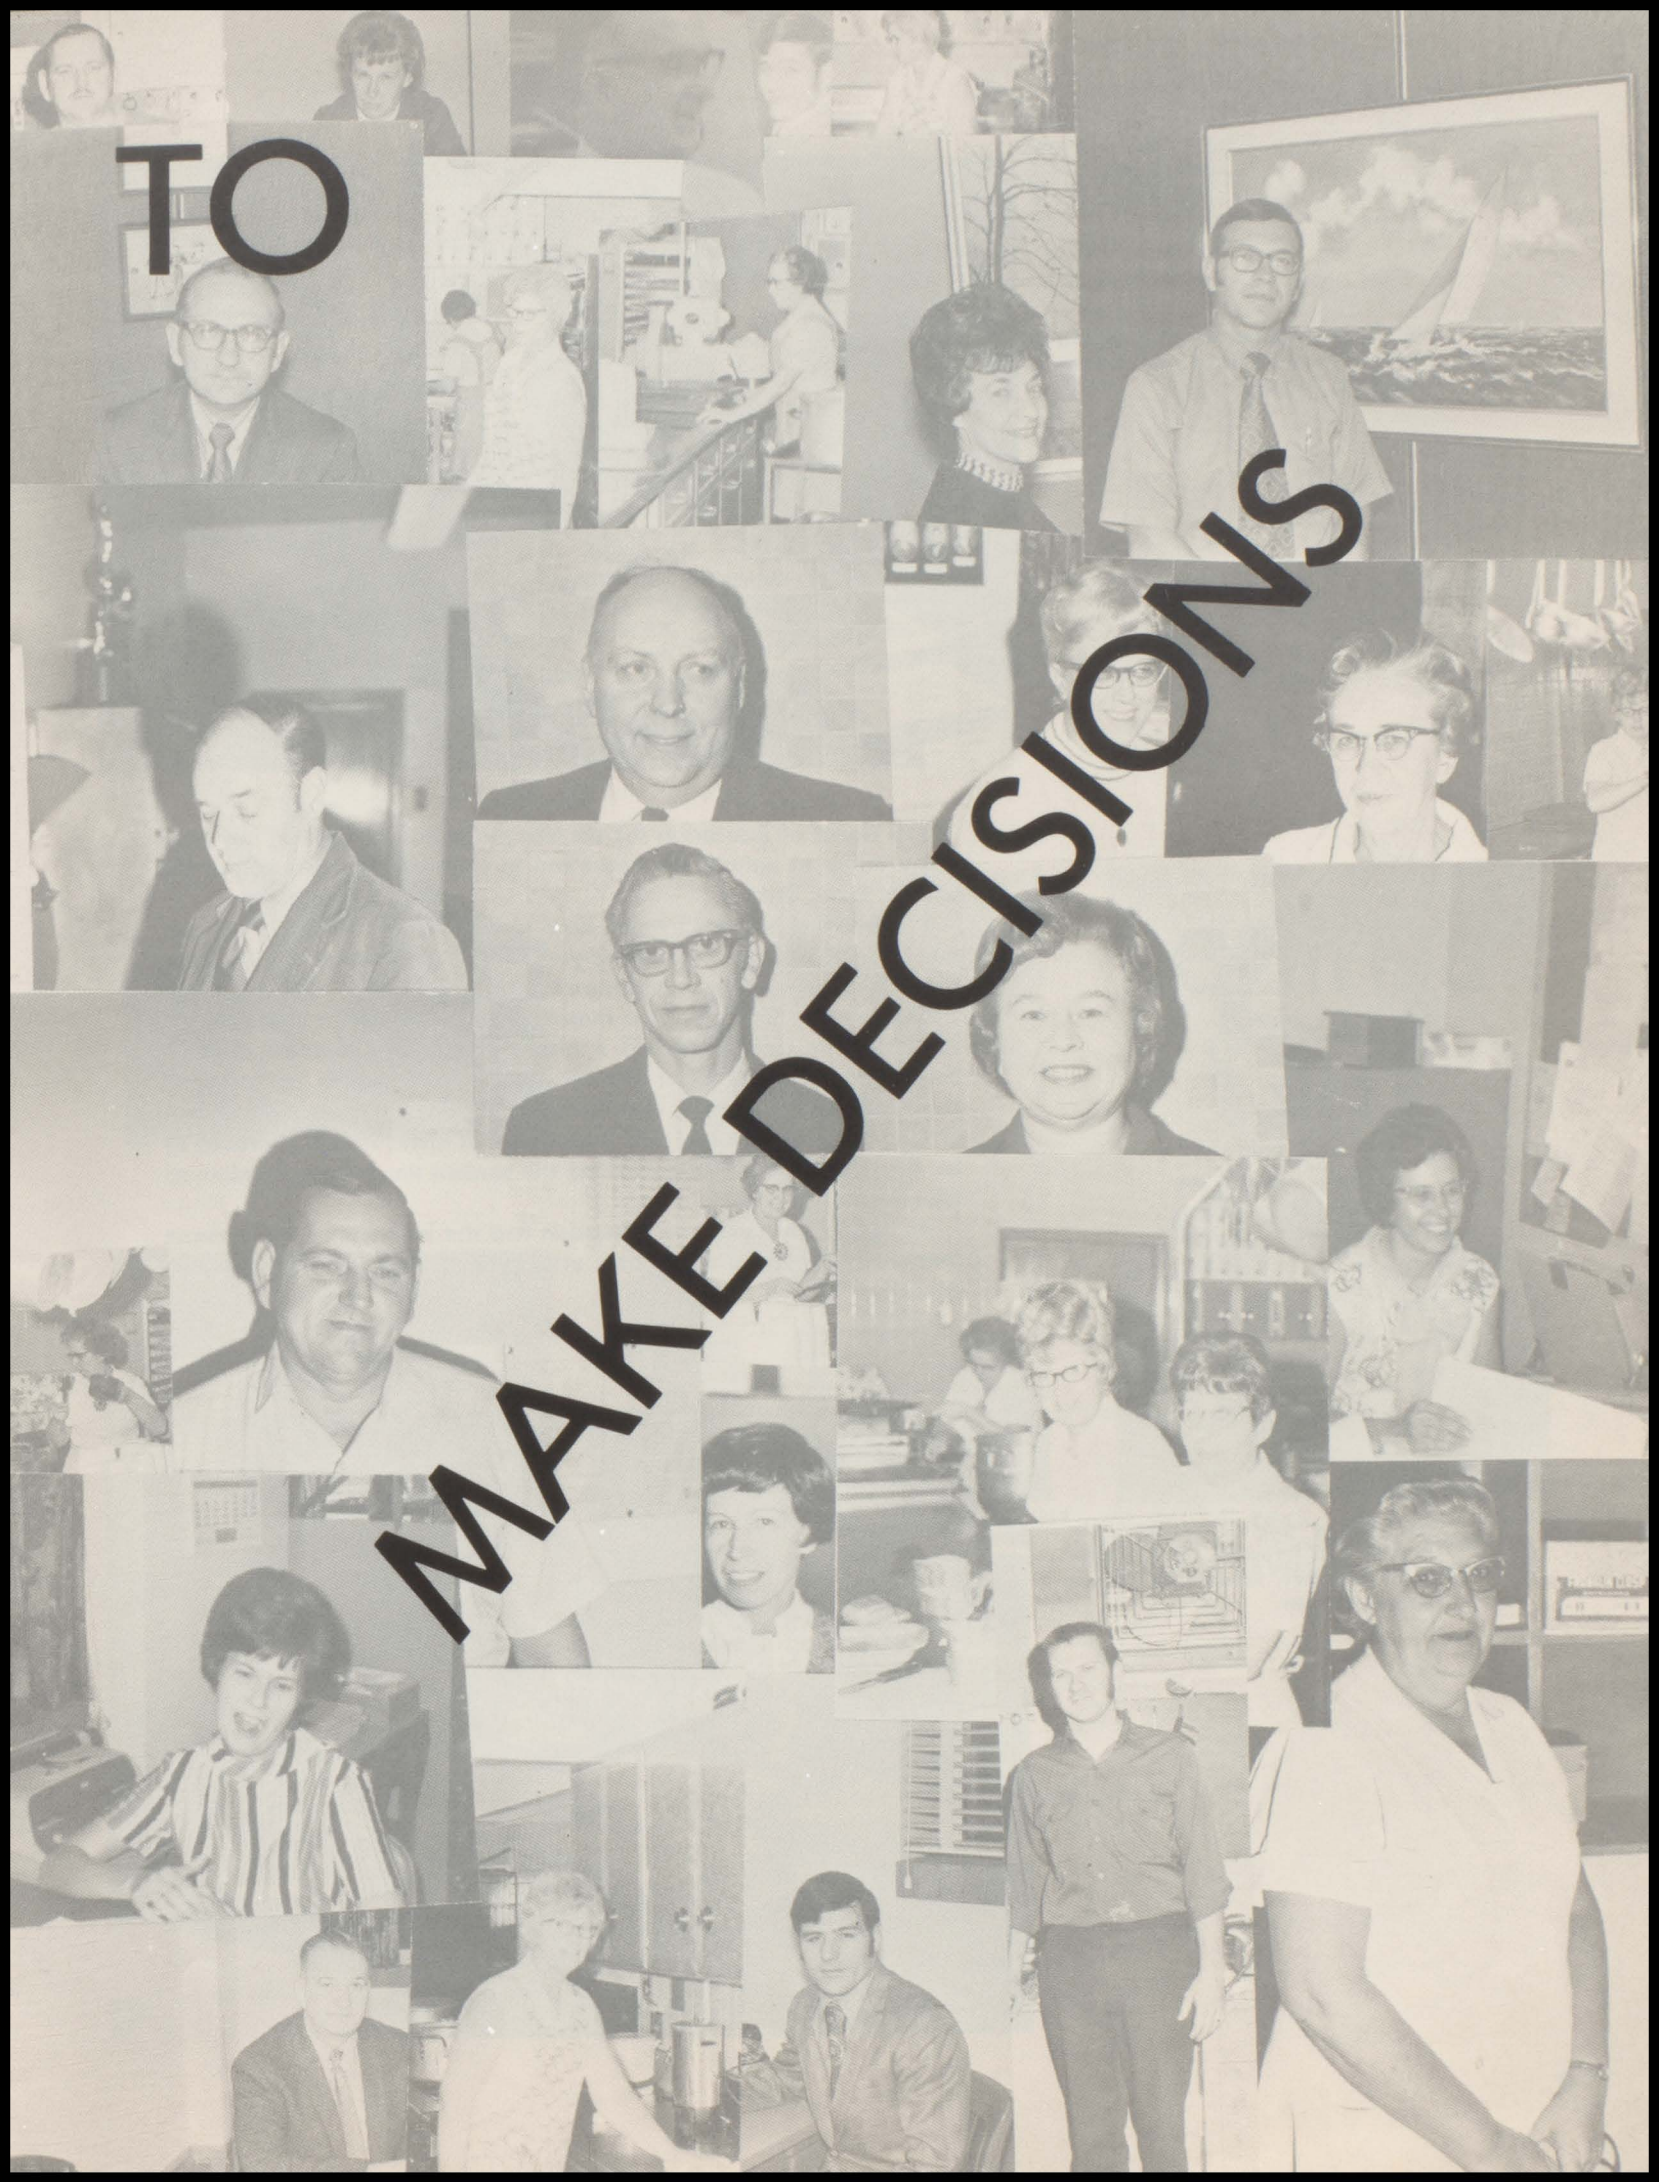

"A kiss for luck and we're on our way. And, yes, we've just begun."

Mr. Louis Schmorrow, Trustee; Mr. Robert Teeple, Trustee; Mr. Charles Richards, Trustee.

BEHIND THE SCENES

The Board of Education for the Marysville School District has done many things to uphold the status and to maintain the operation of the schools in our district.

The building additions which were nearing completion in 1969 were put into use in September of this year. This program provided for more room for the elementary and intermediate schools.

This was the first year that one-semester courses were implemented at MHS. The faculty devised a plan whereby the students of MHS enrolled at the beginning of each semester for their classes. One credit is given per class hour for each semester. Many different classes were offered this year than had ever been before at MHS. This plan proved to be very successful because it offers the student much more freedom to take classes he wants.

As always, the Board of Education had the interests of the students foremost in their minds as they attempted to improve the quality of education.

Student Council members were involved in many activities. Homecoming was their first success. Heather Thorner was in charge, with the theme being "The Wonderful World of Vikings." The Christmas Dance, headed by Ruth Knox and Linda Anthony, increased the festive feeling of the Christmas Season. The Money-Making Committee sold steins and sweatshirts with Viking motifs. Secretary Ruth Knox was instrumental in the deletion of the girls' jean clause of the dress code. Marysville's Student Council sponsored an exchange day with Anchor Bay. The following week, they returned the favor, with our members touring Anchor Bay High School. Viking Week honored our number one football and basketball teams.

The 1971-72 Student Council co-operated with students and teachers alike to achieve a productive, successful year.

A modern heading and more interesting concepts were added to the AMPLIFIER to make it more informative as well as entertaining. Meanwhile changes were happening in the press room. To guide the staff along its road were the editors-Wendy Feick and Charla Wolfe, Associate Editors; Chet Sturdevant, Co-Editor; Miss Vivian, Advisor; and Ruth Knox, Co-Editor.

Miss Kresin has been an advisor of the Marysville Chapter of the National Honor Society since the first meeting held May 29, 1938. Her memories of that first meeting have clouded over during her thirty-four years of service, but she can remember years that the Society was more active. Her assistance has been appreciated by all in the organization.

Mrs. Gorham was initiated into the Marysville High School Chapter as a sophomore in 1947. Then, in 1966, she was appointed co-advisor of that same chapter.

The 1972-3 chapter will consist of sixteen members when it begins its assemblage next year.

LEFT: Third place was captured by Pinocchio and his lie about the Viking loss. "We Nose It's a Lie" made a good showing as the Freshmen's first float. LOWER RIGHT: The big, bad wolf left the three little pigs with honorable mention in the Sophomores' "We're Big, Bad. We'll Blow 'Em Down."

"And When the Evening's Done . . . We Smile"

Snowflakes, evergreens and a frozen pond turned the 1972 Junior Prom into a winter wonderland, as the class of 1973 presented "A Midwinter Night's Dream." The evergreens framed a footbridge that served as a favorite picture-taking spot while candles and a miniature forest decorated the tables. The John Needham band provided the music. The prom was planned and supervised by Mr. Puskarich and his committees.

The Future Teachers started the year off with an FTA Day at Central Michigan University. The FTA also traveled to Shady Acres in Port Huron to entertain the women with a Christmas party. Students from the Woodland School were invited to a Valentine's party held in the Recreation Room. In the spring FTA also sponsored the annual teachers' tea.

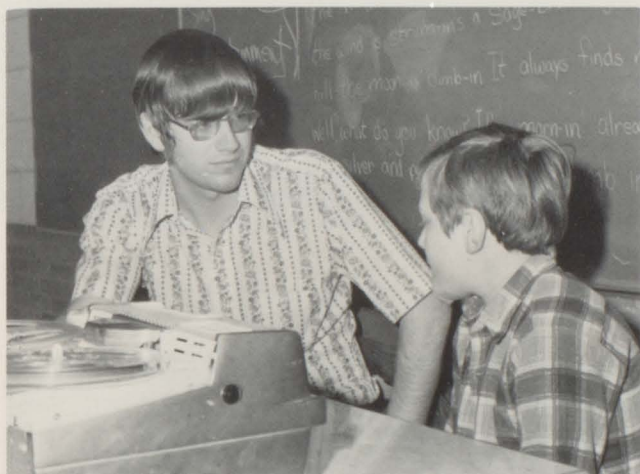

Senior Craig Pattison taught 8th grade Social Studies with Mr. Wildermuth at the Intermediate School.

Terry Moses was a fine helper to Mr. Daggett as he worked with the boys in his shop classes.

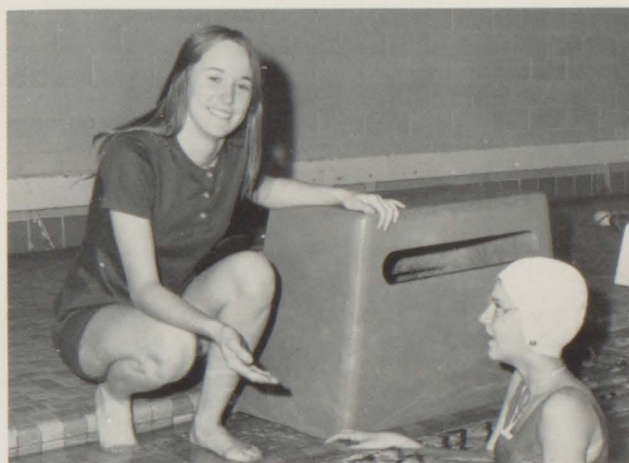

The Traits of Teaching

Every day Gary Norton went over to the Intermediate School to help Miss Warren with some students in a reading class.

Mrs. Burns had assistance this year from Charla Wolfe in her task of teaching physical education.

Beautiful sounds came from the Intermediate School Music Room when Mary Jo Salerno taught with Miss Perego.

SUPER-SOUL SPIRIT

During basketball season, the Viking Wall helped to charge up the team to the S.C.A.L. championship.

This was a great year for Pep Club. Members really showed their super-soul spirit by painting posters for the team on Monday nights and by doing some of the skits at pep rallies. The skits performed by members of the club were "Raisins" and "Viking Man." The spirit jug was awarded to the class showing the most enthusiasm, with the freshmen winning the jug most times. The club cheered both our football and basketball teams on to the No. 1 position.

Vocational Program Develops

Marysville students participate in eight of the Vocational classes. Three of the classes are held in Marysville. Mr. Den Uyl teaches Machine Trades; Mr. Boden, Welding; and Mr. Elsholz, Drafting. The other classes are Quantity Foods at Algonac; Auto Mechanics at St. Clair; Carpentry, Practical and Applied Clerical Training, Building and Grounds Maintenance at Nike Base; and Cosmetology in Port Huron.

Dan Carolan, Greg Bugg, Mike Doan, Mike Westbrook, and Doug McIntosh all take Welding from Mr. Boden.

Miss Marg instructs Connie Baker, Pam Wright, Cheryl Gentner, and Beth Knox in Cosmetology.

Larry Babel, Marion Rau, and Terry Kammerall participate in Quantity Foods at Algonac.

Fixing faucets is only a small part of Jerry LaMarsh's and Gary Babel's training in Building and Grounds Maintenance.

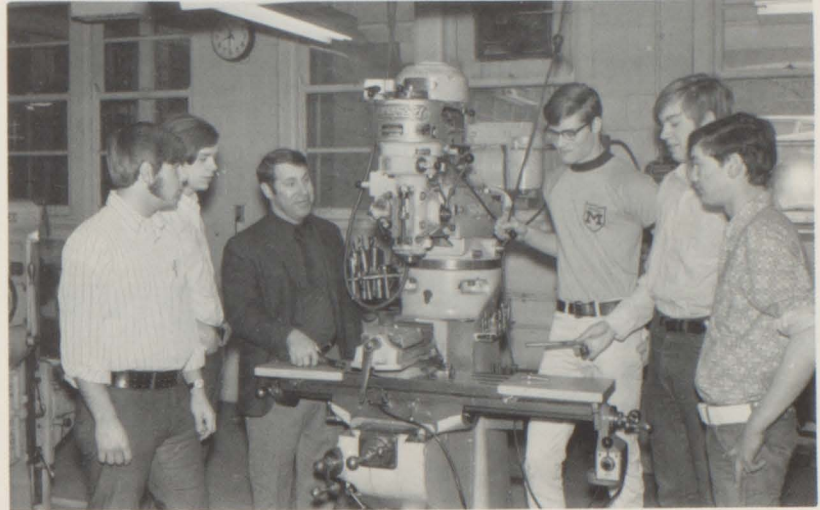

Tom Churchill and Denny Putze help prepare a house frame in Carpentry.

Mechanical Skills

Dave Wilson marks off a 2 x 4 for a project in Carpentry.

Mr. Den Uyl's Machine Trades Class learns the finer points about the drill press.

Stan Mieksztyn, Mike DeLine, and Don Dimick enjoy their Drafting class taught by Mr. Elsholz.

Practical and Applied Clerical Training (P.A.C.T.) is a new, worthwhile program that Deb Lucas, Terry Lindsay, and Diane Greuber like.

Pam and Connie practice their shampooing techniques on Cheryl and Beth.

Larry Giles and Randy Wheeler work on an addition for Mr. Wiltse's house.

Undefeated Season Brings

Viking Co-captains: Dave Quaine and Randy Wheeler.

"We're number 1!" That's the chant echoing in the halls of Marysville High School. The Vikings broke records and went undefeated to a 9-0 season.

This is the first time in the history of Marysville that the Vikings won 9 games in a row. In addition to this record, we retired our third SCAL Trophy.

We owe a lot to Coach Braun, head coach, and to Coach Houck and Coach McDevitt, assistant coaches. More importantly, we owe a great deal to the team who were just tremendous and of whom we are really proud.

The highest points scored against Marysville occurred when Algonac earned a hard fought-for 7 points. The total amount of points scored against us was 37 pts., compared with the 251 pts. we scored against our opponents.

At the Fall Team Sports Banquet, Terry French, president of the Rotary Club, presented to Coach Braun the Walt Braun Iron Man's Club plaque. On this plaque appear all the names of the men who are members of the club.

The students of Marysville High are very proud of the Marysville Vikings, SCAL Champions of the 1971 season.

F R O S H

"Vikings No. 1! CAN'T Be Number 2!" became the crowd's chant after the heartbreaker opener to Chippewa Valley. As the season progressed, so did the Vikings as they continually pressed Valley's slim SCAL lead. Finally, thanks to an Algonac upset over Valley, the Vikings had their long-awaited showdown for the title.

The human wall, cheering fans and sign-plastered gym will never be forgotten because they were only the beginning of a thrilling game that the charged-up Vikes won 68-65.

Winning the District wasn't easy because Cros-Lex and Marine City were out for revenge, but the mighty Vikings again carried through the winning tradition of MHS and brought home another trophy.

Five full student buses traveled to Ferndale but the Vikings couldn't put it together as they dropped the Regional opener to East Catholic 60-55, but the Vikings will always be No. 1 to the student body.

Bill Bitzinger, Trainer; Coach McDevitt; Mark McHenry, Manager.

A collage of black and white photographs of students from Class of 74. The text "TO CLASS 74" is overlaid in the top left, and "EXPLORE" is written diagonally across the center. The photos show students in various settings: some are portraits, some are in groups, some are in classrooms, and some are outdoors. One photo shows a student sitting on a bench with a "LAVATORY" sign in the background. Another shows a student holding a baby. The collage is a mix of candid and posed shots, capturing the essence of the class's experiences.

I strolled across an open field
The sun was out, and it was happy
The stones sang--the little ones did,
And the wild ponies threw their heads back proudly in the sun.
I came to a place where the river ran over stones;
My ears knew an early joy
Far in the woods a nestled sigh.
And all the waters of all the streams
Sang their special song for me.
I wasn't alone this wild and beautiful morning.

... TO LIVE

We've Only Just Begun to live,
White lace and promises
A kiss for luck and we're on our way,
We've Only Begun.

Before the rising sun we fly,
So many roads to choose
We start out walking and learn to run,
And yes, We've Just Begun.

Sharing horizons that are new to us,
Watching the signs along the way,
Talking it over just the two of us,
Working together day to day together.

And when the evening comes we smile,
So much of life ahead
We'll find a place where there's room to grow,
And yes, We've Just Begun.
